

कहानी { Kahani } = STORY (*Noun*)

THE THREE VIRTUES

The Indian philosophy dictates that there are three energies or Virtues present in the natural order of things: life-giving energy, the force of change and, lastly, the peace that brings all three into balance. Perfection is to be found when these virtues work in perfect harmony. It was in search of this balance that I was inspired to create Kahani, a new Indian fusion cuisine.

*In many happy memories of our lifes there is a bottle of wine.
Having dinner with friends, celebrating a life achievement,
spending the holidays with the family.
We hope with our selection we can help many to enjoy their moment
with us, so to create a new joyful memory.
